

REFURBISHMENT

Refurbishment features strongly in the company's list of attributes with extensive experience gained from years of working closely with reputable clients, architects and surveyors. Our strength is founded and maintained by our highly skilled and professional team of experts who combine years of specialist experience, high standards of workmanship and attention to detail with the very latest technology and materials.

We have the proven capability to effectively undertake any project, large or small, ranging from individual company reception areas and boardrooms to fully fitted shop and office complexes, while always using materials and methods that are sympathetic to the clients particular needs and to the project's immediate surroundings.
